Welcome to University Physicians-Neurology and Sleep Disorder Clinic

Our mission is to provide the best neurology care possible. We are committed to the highest standards of patient care and excellence in the management of neurologic disorders. In addition to general neurology, our physicians have special interest and expertise in epilepsy, sleep disorders, neuromuscular diseases, stroke/cerebral vascular diseases, Alzheimer's disease, movement disorders and multiple sclerosis. Our neurophysiology facility also includes a state-of-the-art laboratory and sleep disorders program accredited by the American Academy of Sleep Medicine.

Thank you for giving us the opportunity to care for you and your family.

Sincerely,
*Neurology and sleep disorder physicians
and staff*

Appointment Information

We look forward to assisting you with your care. We ask that you arrive **20 minutes** before your appointment so you are ready to see the physician. As we work to decrease wait times, be aware that if you arrive 15 minutes past your appointment, you may be asked to reschedule your appointment.

To help you to have a smooth transition with your appointment, **please bring the following with you:**

- A photo/**picture ID**.
- Your **insurance card(s) and co-payment** (if applicable).
- **If you do not have insurance**, bring a \$50 payment to be applied to the cost of your visit. You will be billed the remaining balance for the visit.
- **A current medication list** that includes the medication name, prescribed dose, physician's name and how often you take each medication. The list should include over the counter medications, vitamins and supplements. **Bring a list of your current medications, it is preferred to bring the medication bottles.**
- Copies of your medical records and any diagnostic images (MRI, CT scan, X-rays).
- **For seizure patients:** a family member/friend/caregiver who has witnessed seizure(s).

**You will be billed the remaining balance for the visit. Financial counseling services are available, (573) 884-9900 or toll free (866) 608-8025. For customer service or billing questions, please call (573)884-3300 or (800) 877-2372.*

Reschedule an Appointment

Please call (573) 882-1515 as soon as you know your appointment needs to be changed. This courtesy makes it possible to give the reserved time to another patient waiting for an opening. We may not be able to reschedule in the event a patient misses an appointment twice or cancels within 24 hours of an appointment.

Contact Us

Office hours are 8 a.m. to 5 p.m. Monday through Friday, except holidays. If you have questions or need to reschedule your appointment, please call our clinic at **(573) 882-1515** at least 24 hours prior to your scheduled appointment.

If you have medical concerns after hours you can call Health Connect 24 at **(573) 884-2401** or toll free at **(888) 884-2401** to speak with a registered nurse. For urgent medical questions after hours, please call **(573) 882-4141** and ask for the neurologist on call.

Prescriptions and Refills

New medication prescriptions require an office visit. Medication prescription refills may not be provided if you do not keep your follow-up appointment. Please bring your preferred pharmacy name and telephone number to each visit. If you need a refill in between appointments, please have your pharmacy submit a fax refill request to the neurology clinic at **(573) 884-0070**. Remember to plan ahead and allow five business days for your request to be completed.
